

US & VX Range Quick Install Guide

Installation Instructions

- Insert the Product CD into the CD ROM drive
- Click on the Install link to start installation process
- Follow the on-screen instructions
- For more information, please read product manual under the Product Support link

Finding the COM Port Number

- Open up Device Manager and expand the Ports section
- You will see the COM number displayed as part of the Brainboxes Product Name. (Note: COM number might be different as shown in picture)

- Please see the manual on the CD on how to change COM labels

Pinout
