

**Product Change Notification affecting Brainboxes products:**

**PE-515**

18 Hurricane Drive,  
Liverpool International Business  
Park,  
Speke, Liverpool,  
L24 8RL, UK

Due to Worldwide component supply shortages and various feature and production improvements, Brainboxes has had to make the revision changes detailed below.

The revision number can be found on the front/reverse of the PCB and identified with code 90PE515Rx (where x is the revision in a silkscreen square)

**Rev 2:** Internal use only.

**Rev 3:** First Customer Released Product. (Revision for Production Improvement)

**Rev 4:**

Revised PCB Pad data for single part to improve manufacturability

Revised internal panelisation to reduce waste on manufactured products

No change should make any functional or visible difference to the product
