

## Quality and Environmental Policy

Brainboxes has adopted a Quality Policy, based on the International Standards ISO9001:2015 and ISO14001:2015.

Our Policy provides a framework for the setting and review of our Quality & Environmental objectives and a commitment to satisfy the requirements.

We are committed to:

- Consistently providing world class products, services and processes that meet and exceed customer expectations.
- Meeting all statutory & regulatory requirements/compliances and ensuring corporate & social responsibility.
- Protecting the environment and preventing pollution. We will consider the global impact of all our suppliers, customers, other stakeholders and use energy, water, materials, natural resources as efficiently as possible.
- Continuous improvement of our processes and Quality & Environmental systems for the benefit of our customers and the environment.

Signed:

Luke Walsh

Managing Director

**Policy Approved: 8<sup>th</sup> September 2025**
